Outstanding Facilities

All games are played in the Health, Physical Education, and Recreation (HPER) Center on the Wittenberg University campus. The HPER Center includes 5 full courts and 20 basket areas. Three courts are in an **air-conditioned** gym. Teams will also have access to the Olympic size swimming pool.

Firestone Hall, the residence hall used for camp is also **air-conditioned**. It is located approximately 100 yards from the HPER Center. Each school's coaches will stay in the same dormitory area as their teams. The campus dining hall is **air-conditioned** and is located approximately 150 yards from Firestone Hall.

Team Camp Schedule

Each team plays a total of ten games. Games consist of two-16 minute halves using running time until the last minute of both halves. Although five (5) game courts are available, each division will have only ten (10) teams. Teams in one division alternate game times with the other division. NO team sits out more than one game period (45 minutes). This camp setup provides for the absolute minimal time possible to be out of game action.

Tradition of Wittenberg Basketball

Wittenberg University is the all-time winningest NCAA Division III program in the country by both total victories and winning percentage. Taking all NCAA programs into account, the Tigers have the third best winning percentage which places them in front of such programs as Duke, Kansas, and UCLA. Wittenberg has had fifty consecutive winning seasons. Tiger teams have an overall record of 321-80 during Bill Brown's 13 years as the head coach.

Excellent Camp Setup

"We have a very user friendly team camp setting. Our recreation center, residence hall, and dining hall are all located close together and each is air-conditioned. We only schedule ten teams in each playing division, thus there is little sitting around. We believe all of these things lead to a very good team camp experience."

Readily Accessible Location

Wittenberg University is located in Springfield, Ohio, 35 miles west of Columbus and 20 miles northeast of Dayton. Located on I-70, and just 15 miles east of I-75, Wittenberg is readily accessible from anywhere in Ohio, Indiana and Kentucky.
