**Self-Design Proposal**
Do you have an interest in completing your service with a site that is not on this Opportunities List? Do you need our assistance finding a service experience in the local community that is not on the Opportunities List? Just ask. We receive requests for assistance on a regular basis that could be considered as self-design experiences. Students interested in completing service at a site not on the Opportunities List must submit a Self-Design proposal to the Director of Community Service for approval. One expectation of the CMSV 100 experience is for students to serve in the Greater Springfield community and the Director will take this into consideration when reviewing the proposal. The experience must also meet the guidelines for CMSV 100 and allow the student to achieve the desired outcomes of CMSV 100.

Proposals must be submitted by the Friday of the 4th week of the semester or prior to starting the service.

**Service Immersion Trips- Spring Break** ***Participants have already been selected for Spring 2013***
Another option for doing a portion of your service hours for the requirement is to participate in service immersion trip sponsored by a Wittenberg organization/department. To fulfill the community service requirement, you must register for CMSV 100 during the semester that the trip is offered and meet all of the requirements of the course. An approved service immersion trip also requires a local engagement experience.

For more information:
Please contact us at [937] 327-7523, e-mail us at weserve@wittenberg.edu, visit our website at www.wittenberg.edu/communityservice or stop by Community Service, Hagen Center, 723 N. Fountain Avenue.
