Please return the enclosed required health forms to Wittenberg University Health and Counseling Center.
Greetings from the Health and Counseling Center and Sports Medicine

Dear Students and Parents,

We welcome you to Wittenberg. In this Health Information packet you will find a checklist that will help direct your efforts toward completing all the necessary physical exam, insurance and immunization forms that we need here at the Health and Counseling Center and the Sports Medicine Department. This information is confidential and protected by the HIPAA laws. It is most helpful if the information is specific and complete regarding any of the student’s medical conditions. Please be sure to return them before July 15.

The staff at the Health and Counseling Center provides primary health care to students on campus. The Sports Medicine Department staff provides athletic team related injury care and rehabilitation.

Our goal is to keep the student healthy and prepare him/her to be an advocate for their own health. Our dedicated staff at both locations are very experienced working with college students and love caring for them and teaching them.

Many students come to campus never having had to get a prescription filled on their own, figure out an appropriate dose of Tylenol or check their temperature with a thermometer. Parents, take the opportunity before coming to campus to discuss simple medical issues as they pertain to your student so as to prepare them for campus life. A simple medical kit is usually helpful. Some things to include would be: thermometer, cough syrup, nasal decongestant, acetaminophen and/or ibuprofen, band-aids, ace bandage and throat lozenges. We have all of these things available to your student in the Health Center as well, but often it is more convenient for them if they have it in their room to at least begin their care until they can come in to see us.

Again, welcome and we hope we can be helpful during your stay at Wittenberg.

Shirelle Applin, M.D.
Medical Director
Health and Counseling Center

Ellen Crosbie, A.T., C/L

Guide to Health and Wellness Center Sports Medicine

Health Care Contact Information

Mail Health Forms:

Athletes – do not bring health forms to first day of camp.

Mail health forms to the address on the following page.
Checklist Required for Health Forms

**Questions?**  
Call (937) 327-7811 or e-mail studenthealth@wittenberg.edu  
(e-mail preferred)

**Return to:**  
Wittenberg University Health Center  
Wittenberg University  
P.O. Box 720

**Deadline: July 15**

This checklist is meant to help you complete your health forms in a timely manner. Please mail all completed health forms together in the enclosed envelope. Please do not hesitate to call the Health Center at (937) 327-7811 or e-mail us at studenthealth@wittenberg.edu if you need assistance with any Wittenberg University Student Health Form. For your convenience, the forms may also be downloaded from our Web site at http://www4.wittenberg.edu/administration/health_wellness/forms

Incomplete information or invalid dates will prevent you from registering for future semesters and a HOLD will be placed on your account.

☐ 1. Complete all six pages of the Student Health Form and return all forms in the enclosed envelope by **July 15**.

☐ 2. If you are under the age of 18, your parent or guardian must sign page 5 and page 6.

☐ 4. You must have a PPD (TB) skin test within the last year. You must have the DATE given and more importantly the RESULTS. If no results it will be considered invalid and the test may have to be repeated. If you have a positive TB skin test, additional testing may be requested.

☐ 5. Copy both sides of your insurance card and attach it to page 5.

☐ 6. Please mail all health forms to address above. Athletes, mail your health forms to address above. **Do not bring** health forms to first day of camp.
The information you provide on this form is strictly for the use of the Health and Counseling Center and the Sports Medicine Department and will not be released to anyone without your knowledge and consent. All students must complete these forms. Have the physical exam and certificate of immunization signed by a medical provider (M.D., D.O., N.P., or P.A.).

## Certificate of Immunization

### Required of all Students

The information you provide on the form is strictly for the use of the Health and Counseling Center and the Sport Medicine Department and will not be released to anyone without your knowledge and consent. **All full-time students must complete this form.**

### Required Immunizations:

- **A. MMR (Measles, Mumps, Rubella).** Two live immunizations required on or after the first birthday, at least 30 days apart.
  1. Dose 1: ___/____/____
  2. Dose 2: ___/____/____

  A positive serological test for immunity to any of the above diseases is acceptable instead of immunizations. A history of the disease is not acceptable.

  Positive MEASLES titer: ____ Positive MUMPS titer: ____ Positive RUBELLA titer: ____

- **B. Tetanus-Diphtheria-Pertussis**
  1. Primary series DTap or DTP 1. ____ 2. ____ 3. ____ 4. ____
  2. **TDAP Booster (not Td or DT) within last 10 years:**

- **C. Polio**
  1. Primary series (minimum three dates required):
     - OPV (oral)
     - IPV (injected): 1. ____ 2. ____ 3. ____ 4. ____

- **D. Tuberculosis screening (4-prong Tine test is not acceptable)**

  **PPD (Mantoux) test required within the last 12 months (regardless of prior BCG), before moving to campus.**

  (BCG: Bacillus Calmette-Guerin is a vaccine to TB disease that is used in many foreign countries. Not recommended in the United States.)

  Tuberculosis skin Test:

  - Date given: __________
  - Date read: __________

  Result mandatory: __________ (record actual mm of induration, transverse diameter; if no induration write “0”).

  Interpretation (based on mm of induration as well as risk factors)

  - Positive □ or Negative □

  **If you have a positive TB skin test, additional testing may be requested.**

### Strongly Recommended Immunizations:

- **A. Hepatitis B immunization series**
  - Dose 1: ___/____/____
  - Dose 2: ___/____/____
  - Dose 3: ___/____/____

- **B. Meningococcal vaccine**
  - ___/____/____

- **C. History of Chickenpox OR chickenpox vaccine**
  1. Chickenpox ___/____/____
  2. Chickenpox vaccine ___/____/____

### Medical Provider’s Signature

---

**Tips on getting copies of immunization records:**

1. Check with your parents or family members for records of childhood immunizations.
2. Contact your family physician or pediatrician.
3. Contact the clinic or hospital where shots were given.
4. Check your passport or other travel health records for overseas trips.
5. Call your elementary, middle, or high school for copies of immunization records.

Consent to Obtain Medical Information
I authorize Wittenberg University and its insurance provider to inspect or secure copies of case history records, laboratory reports, diagnoses, X-rays, and any other data covering pertinent pre-existing and incurred injuries, infirmities, confinements or disabilities. A photostatic copy or facsimile of this authorization shall be deemed as effective and valid as the original. I authorize Wittenberg University to obtain copies of any emergency room/ urgent care visits while the student is enrolled at Wittenberg University.

I authorize Wittenberg University or its insurance provider to pay medical vendors directly for any expenses covered under the university insurance program.

1. Parent/Guardian Signature* ___________________________________________ Date ______________
   *Required only if student has not attained 18 years of age

2. Student Signature_________________________________________________ Date ______________

Consent to Release Information To Parents
Students may consent online for campus health providers to be able to share information with parents or guardians. Go to “My Witt” and click on “Health Center Form” under “Family” on the right side of page. Follow directions there.
Consent to Treatment (to be completed only if student is not under the age of 18)

I, undersigned patient, in the event that there is a need for routine or emergency medical care that is the result of an injury and/or illness, authorize and give consent to the Wittenberg Health Center and Sports Medicine Department to administer all inpatient/emergency/outpatient medical care, encompassing routine diagnostic procedures and medical treatment by an attending physician, nurse practitioner, nurse, assistant, athletic training staff, consultant or designee, and any necessary mental health or substance abuse counseling, as is necessary in their professional judgment, in accordance with state law, and to refer me to duly licensed medical facilities and/or practitioners when indicated.

Student Signature: ____________________________  Date: __________________

Consent to Treatment of Minor (to be completed only if student is under the age of 18)

Students who are minors cannot be treated for health related services without parental or guardian consent unless: 1) the minor student is authorized by law to consent for treatment; or 2) obtaining informed consent is impracticable and a serious threat to the minor student's life or health exists that must be dealt with immediately.

I, ____________________________, [name of parent, custodian or guardian],
residing at __________________________, [address],
certify that I am the ____________________________, [state relationship, e.g., parent or guardian] of ____________________________, [name of minor],
residing at ____________________________, [address],
who is now ______ years of age.

In the event that there is a need for routine or emergency medical care that is the result of an injury and/or illness, I authorize and give consent to the Wittenberg Health Center and Sports Medicine Department to administer all inpatient/emergency/outpatient medical care, encompassing routine diagnostic procedures and medical treatment by an attending physician, nurse practitioner, nurse, assistant, consultant or designee, and any necessary mental health or substance abuse counseling,
to ____________________________,
[(name of minor)
as is necessary in their professional judgment, in accordance with state law, and to refer ____________________________, [name of minor]
to duly licensed medical facilities and/or practitioners when indicated. For surgical procedures, or more extensive medical care, attempts will be made to contact me before such care is initiated.

I further understand that, once my child reaches the age of majority, my consent for treatment is no longer required.

Parent/Guardian Signature: ____________________________  Date: __________________
Wittenberg University Health Center Privacy Statement

Your Privacy Is Important to Us
Please review this document carefully. Wittenberg University Health Center is committed to protecting the information you share with us, and in turn respecting your privacy. This Privacy Statement will explain what type of information we keep, how we use your information and how we protect your information. Wittenberg University Health Center reserves the right to change this Privacy Statement at any time and will notify students of any changes required by law.

What Information We Keep
Wittenberg University Health Center understands your concerns regarding the confidentiality of information you share with us. We keep information that you share with us during your admission registration to the university, appointments and immunization information if you receive the immunization at our clinic. We keep information sent from other health care providers that assist in your health care. We collect this information to accurately identify you, understand your needs and provide excellent medical care. We refer you to outside providers as necessary and comply with federal, state and university regulations.

What We May Disclose
Unless we have written consent, we do not disclose any nonpublic personal information about patients or former patients to anyone, except as permitted by law. We may use the information you share with us internally to respond to or assist in improving our care, or in audits conducted by our accrediting bodies. Only with your written consent or to the extent permitted by law, may we share the information we keep with non-affiliated health care providers, professors, parents of students over 18 years of age or other parties.

Protecting Your Personal Information
Wittenberg University Health Center takes the security of your information very seriously and has established security standards and procedures to prevent unauthorized access to your medical information. We maintain physical, electronic and procedural safeguards to protect your information. Only authorized personnel within our organization who need to service your record, or who are involved in your care, see your information. These individuals are trained properly to handle confidential information and must abide by the terms of our confidentiality agreement.

Former Students
If you are no longer a student at Wittenberg University, we will adhere to the same information policies and practices to prevent unauthorized access to your medical information.

Please sign, acknowledging that you have read the above. Return this form, along with the other forms, to the Wittenberg Health and Counseling Center, P.O. Box 720, Springfield, OH 45501.

Signature________________________
Wittenberg University Guide to the Health and Counseling Center and Sports Medicine

The Mission of our Health Center is to diagnose and treat illness, promote healthy behaviors and life-style choices through ongoing education, and to prepare students to be their own health advocates.

**Emergency**: The Springfield Fire Department Emergency Squad (911) is available in the event of a major accident, unconsciousness or a life-threatening emergency. The squad will transport students to Springfield Regional Medical Center Emergency Room in Springfield, Ohio.

**Hours**: The Health and Counseling Center is open from 8 a.m. - 5 p.m., Monday-Friday. The facility is closed when the university is not in session. A physician is available for appointments and phone calls during Health Center hours.

**Primary Care**: The center has both diagnostic and treatment capabilities.

The most frequently used services include: care of illness and injury, clinical lab testing, minor surgery such as suturing lacerations or removal of foreign bodies, administration of allergy vaccine, some immunizations, follow-up care after surgery or serious illness consultation and counseling on a confidential basis. We also provide reproductive services including examination, lab tests, treatment, counseling and education.

**Obtaining Services**: Students may make an appointment to see a physician by requesting the appointment in person at the Health Center or by calling ext. 7811 (off-campus 327-7811). Students are also accepted as walk-ins and are encouraged to visit the Health Center if they are ill regardless of whether the physician is present as communication between the registered nurses and the physician occurs during all Health Center hours.

**Confidentiality**: Records of all visits to the Health Center are strictly confidential. Information about the nature of an illness is not given to anyone (including faculty, administration or family) without the student's permission. This is in accordance with the Family Rights and Privacy Act. Information is released to public health agencies when required by law or to emergency personnel in case of urgent or life-threatening conditions.

**Allergy Injections**: When prescribed by a student's personal physician, injections can be continued at the Health Center. The student supplies the allergy extract and written instructions from the prescribing physician. The extract is stored at the Health Center to ensure proper handling. Students needing to receive allergy injections should plan to meet with the doctor as soon as possible after their arrival on campus. Instructions and precautions for allergy injections will be discussed, and the student will be asked to sign a contract indicating a willingness to comply with the guidelines.

**Substance Abuse Prevention**: Education, intervention and treatment services are available to students experiencing problems with alcohol and other drug use. We also provide individual substance abuse assessments, group education programs and consults to those concerned about another's use. Referrals to community resources may include outpatient and inpatient treatment as well as drug screening.

All services are confidential and are available by calling ext. 7811.

**Location**: The Health and Counseling Center is located in the Shouvin Center basement, Room 003.

**Sports Medicine Care**: The front page of the Health Record will be used in the event of athletic medical emergencies at home or on the road. Please take a moment and complete all insurance information as this will help expedite outpatient services if necessary and will address various required authorizations.

New student athletes please bring clearance notes from any treating physician of athletic injury or surgery. We will conduct yearly screenings for all athletes. In the event of a major illness or injury, if the athlete has been hospitalized, or the athlete has been evaluated for a change in health status as it applies to athletic participation, we require a letter of full or limited clearance from the physician to resume participation in their sport. All students who have had surgery with the last year must have a letter of full or limited clearance to resume participation from their respective operative physician. This allows us the opportunity to ensure complete and compliant continuity of care to serve you better.

All athletic related injuries will be referred to Wittenberg Sports Medicine, however, students injured while participating in a club sport will need to report to the Health Center.

**Billing**: The student Health Center does not bill insurance. Charges incurred at the Health Center are billed to the student account. Wittenberg does not bill private insurance. Students are provided a copy of the bill to submit to private insurance for reimbursement.

**Medical Excuse Policy**: Students are responsible for notifying professors of absence from class due to short-term illness or injury. The student Health Center will verify on request that a student has been seen or treated in the Health Center, but confidentiality is maintained and a reason for the visit and/or diagnosis will not be discussed without written permission from the student.

Under no circumstances will we verify illness or absence for anyone not treated by staff here at the Health Center.
