Phi Gamma Delta (FIJI)

Phi Kappa Psi
Dear Potential Fraternity Member -

Thank you for considering being a part of an amazing journey. Enclosed in this packet you will find the dates and times of all the related recruitment activities, a brief description of each chapter and some general facts about Greek Life. Please review this information thoroughly and if you have any questions about anything please ask a fellow Fraternity member. This is an exciting time for Wittenberg and it should for you too. Recruitment is a wonderful time for you to get to know all that the Greek Community has to offer. You will have the privilege to meet new people, learn about each fraternity, and become a part of a life changing experience.

You will have only two responsibilities during the recruitment process:

- Decide if Greek life is right for you
- Decide which house is right for you

Greek life offers many opportunities and benefits that cannot be replicated by any other organization on campus! Leadership, scholarship, and philanthropy all play a major role in the Greek community. Greek life may not be for everyone. Recruitment is your way of finding if going Greek is right for you. Remember by participating in the recruitment process you are not obligated to join a fraternity. It is a way for you to become familiarized with the benefits and responsibilities that each chapter holds its members accountable for.

Hopefully, by going through the recruitment process you will decide to become a member of the Greek community. Each chapter is unique and promises to offer different experiences. While each house may have different traditions, customs, and activities, they are all founded on the common principle of brotherhood.

We hope you keep an open mind and evaluate each chapter according to your needs and wants. We caution you against joining a chapter based off of which house your friends decide to join. Remember that this is a life long journey and you should choose the house that you feel most comfortable and can be yourself. You will not become what the chapter is, but rather the chapter will become what you are!

We wish you a wonderful recruitment experience and hope that you join a fraternity that is right for you. Remember to keep an open mind and always ask questions.

Sincerely,

Michael Doerschuk

Beta Theta Pi
Alpha Gamma Chapter

Nickname: Beta
Colors: Pink and Blue
Symbol: Dragon
President: Aaron Moore

The Alpha Gamma Chapter of Beta Theta Pi is the longest continuously running fraternity house on Wittenberg’s campus. The brothers are involved in athletics, theatre, choir, WUSO, Colleges against Cancer, Student Government, academic Greek-letter organizations, and other clubs and activities. They are thoroughly involved in the community by volunteering at Infusion Campus, Mercy Hospital, Habitat for Humanity, and the Masonic Home. Their fraternity strives to reach academic goals and maintain strong brother relationships. The brothers of Beta Theta Pi help pass the light on to each other as well as the Wittenberg Campus.

Delta Tau Delta
Iota Beta Chapter

Nickname: Delts
Colors: Purple and White
Symbol: Shield with an eye
President: Ethan Barr

The Iota Beta Chapter of Delta Tau Delta was chartered in May of 2000, making it the youngest IFC chapter on Wittenberg’s campus. Since their founding, the Delts have become a major influence on campus, and pride themselves on holding many offices and positions of responsibility all over campus. The Delts are also heavily involved in co-curricular activities, with many brothers participating in and leading varsity sports such as Swimming and Diving, Golf, Cross Country, Track and Field, and clubs such as Sailing, Crew, and Rugby. Being a Delt provides their members with a true brotherhood; house events like Paintball, Capture the Flag, philanthropic events like Bleed Purple and Habitat for Humanity, and various social activities only encourage that feeling. Delts are committed to living lives of excellence.
Lambda Chi Alpha
Nu Zeta Chapter

Nickname: Lambda Chi
Colors: Purple, Green, Gold
Symbol: Cross and Crescent
President: Todd Carter

Lambda Chi offers a unique perspective on fraternal life to the Greek community of Wittenberg University. Students who decide to join Lambda Chi automatically become associate members, which gives them the right to participate in meetings with current brothers, vote on fraternity matters, and the right to hold office. Lambda Chi Alpha has the most chapters of any fraternity in the United States, which includes over 250,000 initiated brothers at over 200 universities. Every year, Lambda Chi is proactive in volunteering within the community with events such as The North American Food Drive, Relay for Life, and The Annual Turkey Fry.

Phi Gamma Delta
Sigma Chapter

Nickname: Fiji
Colors: Purple and White
Symbol: Black Diamond and White Star
President: Sam Archibald

Phi Gamma Delta, better known as Fiji, has close to 125 years of tradition. Fiji is a place for members to learn and grow in brotherhood and be active participants in the Wittenberg community and the city of Springfield. The Fiji’s are active in many campus activities including philanthropies, club sports, varsity sports and co-curricular clubs. The Fijis hold their annual philanthropies including their 3 on 3 basketball tournament, gold outing, and their Thanksgiving dinner.
The Ohio Beta Chapter of Phi Kappa Psi was established at Wittenberg University on May 14, 1866. They are the first nationally recognized fraternity to arrive on campus. Phi Kappa Psi is an association of men who strive to develop the individual in his intellect, involvement in the community, and faith. The Ohio Beta Chapter has a rich history of producing men who possess all these qualities that are essential for success after college. The Phi Psi’s annual philanthropies are their haunted house and Sit with Wally Witt. Their members are involved in many extra-curricular activities such as baseball, basketball, econ club, Witt invest, and martial arts. They strive to be well rounded individuals, who enjoy experiencing all that the university has to offer, and giving back to her in any way possible.
EXPERIENCE IT. Recruitment is an exciting time to meet new people and learn about the Greek chapters at Wittenberg University. This process does not obligate you to join a chapter. It is however, a fun way for you to get a closer look at the involvement Greeks have on campus and in the community. Recruitment is also a time for you to decide if you would benefit from being an integral part of this active community.

JOIN IT. When associated with a fraternity you are not just meeting new friends or acquiring a place to live and have fun… You are becoming a part of a brotherhood that is based on the intangible principles of loyalty, trust, and love. There is a common bond that is very unique and private.

LOVE IT. Being a part of a fraternity is something that cannot be compared to anything else. It is brotherhood pure and simple. While most acquaintances made in college will not endure after graduation, fraternity brothers will always have the strongest of bonds.

To know of its existence is one thing, to experience it is another.

GO GREEK!
