IMPORTANT NOTE to Incoming Students:

*It is very important that the student, not the parent or guardian, complete the housing survey.*

It is highly recommended for students who deposit before June 1 to submit your survey before the June 1 deadline. Hall requests are considered based on the date your deposit is received, provided that your housing survey is submitted by the June 1 priority deadline.

2013-2014 Residence Hall room rates per semester:

Standard Double room (all halls except New Hall): $2,528  
New Hall Double room: $2,778

The Residence Life Office regrets that it cannot make changes in residence hall or roommate preferences once a housing assignment has been made. However, room/roommate changes can occur after the second full week of class solely through the Area Coordinator of the respective residence hall(s) if space permits. Information provided on your housing survey serves as a guide for assignment but does not guarantee specific preferences. All room and roommate assignments are made by the Residence Life Office without regard to religion, race, color, national or ethnic origin, sexual orientation or disability. Should demand for residence hall housing exceed room assignment capacity, the university reserves the right to utilize temporary, expanded housing pending assignment or relocation to a permanent living space.

**Housing assignment letters are mailed or will be accessible on MyWitt by mid-June. If you submitted your survey by the June 1 deadline and have not received your housing assignment by June 30, please call the Residence Life Office at 937-327-7827. Housing assignments for surveys submitted after the June 1 deadline will be sent as soon as possible after a roommate is assigned.**
