If your son or daughter is an international student or is required to stay on campus at any time during a break period for athletics, please see the information below:

1) International students and authorized athletes who live in a break hall (Polis, New Hall and Tower) will be allowed to reside in their own rooms and will be issued a break key for access to their hall.

2) Athletes who live in Woodlawn, Firestine, Ferncliff or Myers Hall will work with their coach to stay with teammates in a break hall or off-campus house/apartment. Access to these halls is not allowed at any time during the break period.

NOTE: Students should make plans to arrive on campus after the residence halls reopen. Residence Life Staff will not be available to let students in the halls beforehand.

We wish you a very happy holiday season!
