COMMUNITY SERVICE
AT WITTENBERG

What is the Community Service program?
The Community Service program provides students with opportunities to serve, to connect with the Greater Springfield community, and to reflect on the service experience to better understand themselves, community needs, and their responsibility in advancing the common good.

TO GET INVOLVED, come see us! We have resources and contacts for students to get involved in service throughout the Greater Springfield area. We have a variety of options to fit your interests!

Many of the service sites give you a chance to share your gifts and talents, explore career options, gain skills, and get real-world experience while having fun.

During the year, we also have opportunities like Super Service Saturdays, Make a Difference Day, MLK Jr. Day of Service, Service Immersion Trips, and Celebrate Service where we, as a campus, go out into the local and global communities and serve together.

THE COMMUNITY SERVICE REQUIREMENT is a semester of service that all students at Wittenberg must complete to graduate.

This opportunity includes an orientation, RAP (Reflection, Action, Participation) session, essay, and 27 hours of service.

For service to count for the requirement, you need to register for Community Service 100 (CMSV 100) and complete the course obligations during that semester. In addition, the service is primarily completed in the Greater Springfield City.

* We recommend that you complete the requirement by the end of your sophomore year.

“\[I feel like I found a purpose and something that is worth my time to do. I am less wrapped up in the college bubble, and class, and tests, and friends, but now am more focused on what I can do for others.\]”
- CMSV 100 Student
